

## **DRESS CODE / UNIFORM POLICY - 2020-2021**

All students at Saint Patrick School are expected to dress in a manner that reflects our school's Catholic Identity. The implementation of school uniforms will help minimize disruptive behavior, promote respect for oneself and others, and build school/community spirit. Saint Patrick School also feels that wearing of uniforms by students will help lessen the impact of socioeconomic differences and encourage students to concentrate on learning rather than attire.

**Implementation of Uniform Policy:** The principal reserves the right to interpret, enforce, and modify the uniform policy / dress code as necessary. The school reserves the right to act upon any fad, trend, or radical behavior that may be distracting to students. All staff will be working together to ensure that the dress code is enforced.

### **The following consequences will be enforced:**
